Hello,

I received your letter. Thank you and I'm happy to meet you.

Well done on putting together the groups, study groups and sharing helpful information to improve the lives of all at the prison.

I like your idea on alliance and as the Director of Field Activities; I'd love it if you would hand out the green pamphlets on the Facts of Psychiatric Drugs. There are many that could benefit. I will look into getting donations in order to ship them to you.

In the mean-time I'm enclosing one of the six for your review.

If you are on the internet, please go to www.CCHRInt.org to read the 64 page Psychiatric Drugs Create Violence Report (which is being sent to all state representatives and senators on a weekly basis). Also, if there are instructions on sending a case of the informational booklets, would you please walk me through.

Thank you again for reaching out. Please feel free to contact me for any questions.

Sincerely,

Director of Information Requests
