Hey Aaron!...

25 Feb 2022

How ya' doing brother? It was great to hear from you. It took a minute to get to me, because it went to the last prison I was at back in early 2018. I just updated my address with "Between the Bars." Yeah, I remember the old days well my friend! I see that you're living in Lebanon now. What have you been up to all these years? Catch me up. It was a nice unexpected surprise - your words made me smile man.

There's so much I could write about and catch you up on, my daughter Alina is studying to be a Psychologist. I'll finally be graduating college this summer with just about every degree Coastline Community college in Orange County, California offers... I also serve as a mentor/facilitator for Victims Awareness and Alternatives to Violence Programs, through Partnership Re-Entry Programs and A.V.P. - USA... ^{"P.R.E.P."} I'm a born again Christian, and I've radically transformed my life for the better. I just now got your email, and I look forward to hearing back from you.

Respectfully Your Old Friend,

Paul Cain

P.S. I also mailed a letter to the address in Lebanon you provided, F.Y.I.
