forever kudos (Publish All 3 pages) 

WOW UNBELIEVABLE, You were 21 At due time back in 1989 , + was 2012, See I call you (facts) or what your knocking besides your real name (Schoeller) once I said this You Put as Reply I.d. + me... why are you being so shy?

YEAH I ASKED if you're a PERVERT its like you say you failed to contact me when? What year? Which Unit was I on SEE you can't answer these OR like any question if your being honest, why not tell me who you are? I asked for a full lengthed clothed photo... see Willy who was the 2nd Lawyer, day was my 1st he came to my Jail cell when I was at 1st in 1301 franklin, Harris County?

I told them I even done a on-tape interview, Which Part was introduced w/o Jury or anyone beside the Judge + Jane Crocker present ... She looked at me like someone who believed, see the events prior to me tying Wilma up she stood at the one kitchen door throwing pieces of bricks at me, When I did finally get her tied up she banged her head vs she screamed at me ... my intent was it over>

* Find & Steal a document, See if you had
any facts of what took place then you
realize why after spending at quarter
on d/R NEVER once having an execution
filed... the jury would of NEVER sent me
to death row, SEE the tape I made was
NEVER put its to evidence?

SEE Jan Crocker thought seeking my
ex-wife to testify coded her blower she
said while on the stand that "I Quoted
Guy NEVER laid a hand on me?" Jan
was shocked as you were by me asking
her that question?

Here you say "thank you" part 1/2
pages, still not giving in on who you are?
if I'm being honest? You tell me in your
other replies you've kept up with my
case for 30 yrs, you were 21 now 51
you say you've defrauded someone, who
was your name then? in nam right?
How much fact is after this story? See
you assume things but there is no
natural facts do them?

You seen when doing a job you
have to give your true name not like
with big you give Skyscraper or forever
kids... know it's true... my sentence

³ wasn't commented, & was given from the S.Ct & Reversal in the late 90's the Courts got together & discussed that not doing a full Capital trial which the Cost Counties \$\$\$\$ they do what they make is "Punishment Phase trials" Your assumed guilty... I avoided it and agreed to a Plea deal

So this is why I asked questions you came to me after saying you've been following my life & case for 30 plus years forever k-a-l-o... the conclusion was all you had to do was write me I have my full address: Guy S. Alexander #1996575 French Robertson Unit

See I can be honest?

the JAmy wasn't ever allowed to hear my testimony I gave, Mary Bacon denied it?

Mary Bacon denied everything before anyone was allowed in the Court Room, She denied me two strokes on two J-wars, one was a Cadet who was with Hpd, the other is a Catholic Priest ...

What you saw was what I was seeing in Read as Wilma started struggling & banging her head Cussing me? the death over-

penalty was never taken, Jan Crocker +
Jon Jordan Both say if I appeal they'll
seek the死刑?

The Committee is to Revoke (a
sentence) which mine was death.

There is no statute on murder
is there? Jan Crocker isn't DA she
was a State Prosecutor, the do in
my reversal also turned it over to the
State Prosecutor, She does this told me
I won being they were in error & still
are... I still have pending appeals & even
have 3 Federal Sealed documents, I plan on
doing my best to do once they do away
with the dp?

The Jury came out knowing not
enough evidence when both lawyers
especially really heard his the coerman came
out announcing but the Judge denied it?
My goal is to let the jurors hear the tape!
I have a copy of the tape do?

Jan Crocker was pregnant in another
Capt. trial which the inmate was released on
parole? Martin Allen daughter of the
inmate, he was paroled in Livingston TX, what
was about Jan Crocker she was in his case
personally which violated her, she was a
defense lawyer but her licence was revoked?
