Howdy Michelle - trust this finds you safe & well abroad, As it leaves Tx. My thanks for your Message - keeping a stiff upper lip - as Gran used to tell me :0) Conditions here have not improved. Tx Now limits us to ONE hour a week Recreation. Currently confined to cell 24/6½ that being a ½ day event to get out cell back in then showered. We still only get 2 showers weekly on average. Extreme short staffing persist. Its inhumane how we are being confined to cell. You have my address also listed is my NEW JPAY tablet number Post ( soon we have Tablets) :0) Look forward to ~~hearing from you~~. Best regards to ya'll from Texas, your texan Friend - Chuck
