Dear Cristinapullen,

04-03-22

Howdy from Virginia! Thank you so much for your kind comments! They really mean a lot to me and I'm always grateful to hear from people like yourself!

May I ask how you came across my blog?

If I may suggest... you could have a penpal! I am open to penpals - or - you could check out Black and Pink (BLACKANDPINK.ORG(?)) or the Prisoner Correspondence Project (EMAIL: INFO@PRISONERCORRESPONDENCEPROJECT.COM), both of which have listings for LGBTQ penpals (I have listings in both).

Oh, if you prefer a straight penpal, there are plenty of websites for those and/or I often have guys ask me if I know anyone who'd write them (I generally don't).

Please be careful with any penpals as guys in prison often misrepresent themselves in order to take advantage of people.

Thanks again and I hope to hear from

②

you again!

Best wishes,

A stylized, cursive handwritten signature in blue ink, consisting of several overlapping loops and a long horizontal stroke at the bottom.
