## Qdmv

Hey Emilia, how are you? I'm writing to say I received your letter and I'm writing you back tonight! You could email me but you would have to go to jpay.com and type in my name Tavares Wright DC number H10118, Facility Union C.I and we could email through them. The problem though I cannot just email you, you have to get on my contact list.

I'm looking forward to getting to know you! Stay strong and be safe..
