" LIKE WHITMAN STYLE , UP & DOWN "

By. Ras Uhuru, ©\®™

1. Out of this " ON' let us begin to share,
it will be ' Virginal ' for both of us,

So lets ride.

2. Down this journey , we shall find joy.
we shall find peace, as if though we had traveled,
the furthers east.

Down this rode we travel.

3. Down I- 95 the Hiyabusa spade ,
79 - quantum 160 mph the speed dial read, as we exit the ramp,
79st and southshore the exit sign read .

Down this journey , this tomahawks speed ,

4. Down & Up the block , Folks reach'in ,
the hiyabusa pipes howling --- like AR-16's bleeding up the block,
But this , a ride of peace , cuz I got you on the back of this dynamic beast.

Down this journey we go .

5. Down lover's lane we travel , Our maiden ride together.
I feel the passion in the warm wrap , as your arms squeeze ,
and contract , with the ebb & flow of the gear change ,
and the thrust & throttle . our bodies moving as one.
like making love in the air. we glade down the ' Nine ' ,

Down this, all else remain .

6. Down My ear drum the sonorous hymen melt away ,
As you heavily breathe the words , " I would never thought i'd do something like this ";
the best ' hysteria hypoxia ' of your life , as we recuse that phrase & make it good ,

the power of the hiyabusa under-us magnify and intensify this bliss,,
no-matter how old , this is something no woman should miss.

Down this rode we shall travel.
