

### PRISONER store Price List

---

BIDEN DID THAT

For a while, we had avoided the spiked prices set about by the anti-Trump administration and their woke-American-socialism. But, alas, finally the Bidenettes win out, as you can see from the prison store list. It now costs me \$10 to make something as simple as a PB&J...

Thanks Biden and Biden voters!

This certainly is a Brave New World you have us living in. What was Biden's slogan? Make Russia great again.
