

* Our countries needs healing *
America, United Nation and Continent
needs a heart transfusion
and mind regulator

The world is in a mess right now. Can it be fixed yes. I guess you say how in Sam hills that can happen. God is giving us enough time to get it right. What do we need to do. 2 Chronicles 7:14 if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land. This why we have all kinds of destruction in our lands (sins) are running rapidly. Clearly people needs a heart transfusion and mind regulator. This prayer was prayed in God heard Solomon. Sometimes we wonder does God hears us. Months, maybe years, had passed since Solomon's prayer of dedication (Chapter 6.) Several other building projects had been completed after the temple (7:11; 81) Then after all this time. God told Solomon's ~~prayer~~ that he had heard Solomon's prayer. How often do we look for immediate answers to our prayers and

When nothing happens, we wonder if God has heard us? God does hear and he will provide for us. We must trust that God will answer at the proper time.

In 2 Chronicle chapter 6 Solomon asked God to make provision for the people when they (unintentionally) committed violation of conscience or divine law; missing the mark; falling short for God's perfect standard) ~~sin~~ God answered with four conditions for forgiveness
(1.) humble yourself by admitting your sins,
(2.) pray to God, asking for forgiveness, (3) seek God continually and (4) turn from sinful behavior whether we do individually, as a group or as a nation. ~~but~~ following these steps will lead to forgiveness. God will answer our earnest prayers.

God plainly set forth certain conditions for Solomon to meet if he wanted the kingdom to continue. If Solomon followed God, he and his descendants would prosper; if Solomon did not heed the nation would be destroyed. In Deuteronomy 27 and 28 these conditions were outlined

before all the people. But sin is deceptively attractive, and Solomon eventually turned from God. As a result, his son and heir lost most of the Kingdom. Following God brings benefits and rewards (not necessarily material) Turning away from God brings suffering, punishment, and ultimately destruction. Today, God's conditions are just as clear as they were in Solomon's day. Choose to obey God no matter what happens, knowing that God will eventually bless your efforts.

Get your bible ready Ezekiel 6:8-10 A ray of light appears in this prophecy of darkness. God would spare a small group - a remnant of people, but only after they had learned some hard lessons. God sometimes has to break a person in order to bring him/her to true repentance. The people needed ~~new~~ new attitudes, but they wouldn't change until God broke their hearts with humiliation, pain, suffering and defeat. Does your heart long for God enough to change those areas displeasing him? Or will God have to break your heart?

Ezekiel 11 Prophets often used this threefold description of judgment upon Jerusalem - sword, famine and plague - as a way of saying that the destruction would be complete. The sword meant death in battle; famine came when enemies besieged a city; plague was always a danger during famine. Don't make the mistake of underestimating the extent of God's judgment. If you ignore the Biblical warnings and turn away from God, his punishment awaits you.

The phrase 'then they will know that I am the Lord' (or a variation on this phrase) occurs 25 times in the book of Ezekiel. The purpose of all of God's punishment was not to take revenge, but to impress upon the people the truth that the Lord is the only true and living God. People in Ezekiel's day were worshipping human-made idols and calling them ~~other~~ gods. Today money, sex and power have become idols for many. ~~But~~ punishment will come upon all who put other things ahead of God. It is easy to forget that the Lord ~~is~~ alone is God, the Supreme authority and the only source of eternal love and life. Remember that God may use the difficulties of your life to teach you that he alone is God.

In chapter 7 Ezekiel predicts the complete destruction of Judah. The wicked and proud will finally get what they deserve! ~~He~~ If it seems as though God ignores the evil and proud people of our day, be assured

that a day of judgment will come, just as it came for the people of Judah. God is waiting patiently for sinners to repent (see Peter 3:9 - God may have seemed slow to these believers as they faced persecution every day and long to be delivered. But God is not slow; he just is not on our timetable (psalm 90:4)

Jesus is ~~not~~ waiting so that more sinners will repent and turn to him. We must not sit and wait for Christ's return, but we ~~too~~ ^{are} important. Should live with the realization that time is short and that we have important work to do. Be ready to meet Christ anytime even today, yet plan your course of service as though he may not return for many years. As we continue, but when his judgment comes, a mere of the people will be left. What you decide about God now will determine your fate then.

The nation of Judah trusted in its prosperity and possessions instead of God. So God planned to destroy the basis of its prosperity. Whenever we begin to trust ~~in~~ in jobs, the economy, a political system or military might for our security we put God in the back seat.

If there was some word in this writing that touch your life. I want you to know there is hope in any situation. (In the midst of crisis)
Mark 5:35-36

James's crisis made him feel confused, afraid and without hope. Jesus words to James in the midst of crisis speak to us as well. Don't be afraid

Just believe. In Jesus there is both hope and promise. The next time you feel hopeless and afraid, look at your problem from Jesus's point of view. Then don't be afraid; just have faith.

But if you don't have a relationship ~~you~~ have no one to help you because you wif that God cannot hear or help you. That the as I see some random person on the streets I need help, I better hope it's possible cause some people is not going to help you unless they know you.

I know a man who wants to help you his name is Jesus. His ~~all~~ all we have to do according Romans 10:9 say this prayer Lord you said that if I confess with my mouth, Jesus is Lord and believe in ~~you~~ my heart that God raised him from the dead, I shall be saved. Lord I received this promise in my life change my heart. Give me a new spirit by creating in me. May new and give me a fresh start now that you receive Christ as your Savior. No your not going to be perfect. But you have some who can help you when you fall because he says 1 John 1:9 If we confess our sins, he is faithful and just and will forgive us ~~our~~ own sins and purify us from all unrighteousness.

Now we can pray ask God for help in his name and he will hear your prayers. God Bless
