" OF LO♥E "

1. Superlative LO♥E is like the Sequoia lying on the forest floor .
2. It's as messy as all the decay that lie around it ,
slowly rotten away ,
vermin burrowing into it's cavernous soul like the vermilion do.
3. Moss over run it's length , mushrooms picnic on top of it ,
like a fourth of July .
Some of it's branches protrude like a " GIANT " ,
praying to be revised .
- 4 Big Bear's come by and scratch their backs and rest upon it ,
like a hot spot at a local eatery.
5. Frogs leap around it , as if searching for " Princess's to Kiss ,
and wake from a sleeping slumber .
6. Other unfallen Sequoia stand guard or stand by for their turn .
7. Just as LIFE is given ,
it is taken away.
- 8 . And just like the Sequoia ,
No one " see " them fall and
No one see them stand ,
as they have been,
thousands ago.
9. And as to LO♥E
Real Lo♥e turns superlative by experience and sacrifice,
unselfishness. and Perfect Lo♥e , is Lo♥e supreme.

And that , I call the " SEQUOIA OF LOVE " .
