- 1.) I awake to a sun shining upon me ,  
sometimes it's real ,  
other times it's the event that broadcasted the day .
2. ) My Heart beat triple in anticipation ,  
My heart beat ,  
and anticipate .
3. ) Each step I take ,  
A cloud cushion the step ,  
as if I'm skipping & Dipping between ocean's of skies .
- 4.) As i walk through the Door ---- the portal of poetry .  
Banks of words greet me :- ) :- ) :- ) with smiles :- ) :- ) :- ) .  
and applauds , as they share my anticipation too .
- 5.) My Fav's high five me ,  
and wink :- ) :- \ ; - ) to let me know it's " On " ,  
and that they got my back .
- 6.) The Poetic Pontiff professor Fandel part the oceans of the day ,  
the announcement electrify the supercollider in all of us ,  
and Adams begin to Pop open like butter popcorn on a Saturday matinee
- 7.) Worlds and Universes start taking their command from Her & us ,  
planets spin around our heads and milky- ways begin to shape out of our minds .
8. ) The ether possess the moment ,  
I'm transposed away ,  
far away ,  
I'm not here .

9.) The poet is pure , No restraint ... But her or his own moral compass & devise .  
a peek at eloquence , of freedom .
