" Of LOVE "

1. Of Love , superlative love is the sequoia laying on the forest floor .  
in a crepuscular existence .
2. It's as messy as all the decay that lie around it ,  
slowly rotten away ,  
vermin burrowing into it's cavernous soul.
3. Moss over run it's length ,  
mushrooms picnic on top of it like a fourth of July ,  
some of it's branches protrude out like a GIANT praying to be revised.
4. Big bears come by and scratch their backs and rest upon it ,  
like a hot spot at a local eatery .
5. Frogs leap around it ,  
as if searching for princess's to kiss and wake from a sleeping slumber .
6. Other unfallen Sequoia stand guard ,  
or stand by for their turn .
7. Just as life is given ,  
it is taken away .
8. and just like the sequoia ,  
no one see them fall and ,,  
no one see them stand ,  
as they have been ,  
thousands ago .
9. As to Lo♥e ...  
real lo♥e turns superlative by experience and sacrifice ,  
unselfishness .  
and perfect Lo♥e is Lo♥e supreme .

and that , I call the Sequoia of LO♥E .
