1. Did you know the devil is the biggest Billionair-trillionair ,
not just by the Billions spent in his blood spirits ,
that we love & flow through us ,
or the many vices humming like mice and multiplying thrice .

2. No he's rich in the captured souls and the habits ,
like rabbits between the sheets , and youth that run and plague these streets .

3. The prostitution ring arrest sheets ,
the blank paper and empty congressional seats ,
the silence that no one wants to meet ,
and the silent prayer said in breach .

4. I tell you he is rich ,
for he made you his bitch ,
now you will kill ,will and deal to be rich .

5. You had to scratch that itch ,
now you dig your own ditch ,
lets backtrack ,
who made you his bitch ?
now lets switch ,
whats the cost of having fame and a popular name !

6. Lights on but it's still dark in there ,
do you still don't care ?
hear the song : " Grave Digger , When you dig my grave , make it shallow ,
so that I can feel the rain ."

Grave Digger when you dig my grave , make it shallow so that i can feel the rain
