Dear Just Curious 1

Let me tell you how all this came about I grew up on the same street as my son mother her name is Cheryl Ann as my 2nd oldest brother and myself used to sit on the side walk in front of our house on 10615 Atwell Dr across the street was Cynthia Ann Parker elementary school... my 2 older brothers + sister attended I seen a girl with red hair + glasses riding down the street I told Mark my 2nd oldest brother, I'm going to stop out in the street and stop her to ask her name...

As I grabbed the handlebars it shocked her... but I said my name is Guy what's yours... she said if you let me pass I'll tell you... I said OK... she smiled said Cheryl Ann... I had a thought that second... I'm going to fall in love with her... and sure enough it happened years later this was 1970... she was younger than me... I found out 4 yrs... she was born July 7 1963... its amazing how I can remember, but she is my baby mother as the years passed it was the day I was to graduate from Westbury SR High I was stopped going to school she asked me "who I was taking to the prom" I

Replied it Cant BE You Which got a mad look, that year Winter came it snowed and I meet Cheryllyn + her friend, it was like 5 or 6 AM

Long story my sister CLARA and I switched Bedrooms, I'll tell it later... I was woken up by NOISE out in our front LAWN I couldnt see But "feet" and GIRLISH VOICES... it was snowing so I went to wake up my 2nd oldest Brother MARK said lets put Poncho in the Utility Room and surprise them... So I caught the friend MARK got Cheryllyn we all 4 looked back I said Really looking at Cheryllyn as we stood Cheryllyn walked up to me raised up on her tiptoes kissed me said I'll come later to help clean up... But she never did... the year went then summer came... ~~the year went~~ there was a public pool behind PARKER EVERYONE would go... I'd ride my SKATEBOARD in my (JEANS + T-SHIRT) Well as I was leaning my eye caught a SEXY REDHEAD sitting on a BUGATTI CAMARO... OF COURSE RIGHT THEN MY BRAIN RECOGNISED it was Cheryllyn... She jumped off and came up to me again tiptoed + kissed me... Smiling SAYS come on I'll give you a ride....

so on the way to my house, she SAYS I spoke to your mom, ASKED HER

Pg-3 After my mom & her were talking, my mom says today is Guy's 21st Birthday...
