

NOTICE - NOTICE
MIT: Alumnae and Alumni

The indignation in which I am addressing you collectively - is my attempt at shocking the moral fiber that has allowed my plea's for help and assistance to go unnoticed by those of you most apt to provide me and others, the sought after attention requested...

How many of you know that - I have a Blog sponsored by Mr. Charles F. De Tar - through MIT??? I am asking this question because it seems to me that providing ' incarcerated individuals such as myself ' A Blog that does not reach the people most apt to be empathetic, is primarily a waste of time and energy for all involved!!!

Hopefully this short tirade will reach its intended audience and receive a number of positive responses through Jpay email...

Thank you for your time and consideration - Milo ' One Eagle ' Rose falsely incarcerated forty years on Florida's death row - B-{'

EDIT: JPay is phasing out emails. To reach Milo Rose, please contact him on www.securustech.net instead.
