Thank you XxKaylaxX for your comment and kind words. Your words are very encouraging. I would love to know why you are personally touched by my mission. Have you been impacted by gang violence? Please feel free to write me directly at the address above, as I will be able to respond to you much faster.

Again thank you very much for your words of encouragement. You further inspire me! Please assist me by helping spread my message which will help us save our youth!
Hope to hear from you soon. Please take care!

Sincerely,
