ROTO-POOTER©

YOU'RE NOT FEY! JUST GET THEM TURDS OUT OF THE WAY!

Hey everyone! My name is Ineeda Pooter and I am VERY happy to tell you about my new invention, ROTO-POOTER! Have you ever had a behemoth pressing at your backdoor, SCREAMING to be freed from its colon confinement? You run to the toilet squeezing your butt cheeks together as its already starting to exit the Hershey Highway? You finally get to a toilet, yank your pants down and you feel relief.....ahhhh, but what's this? Towards the end of the dumpski it starts to slow down and you get what I call a Halfway©? It gets stuck between freedom and confinement? You wipe and wipe but no matter how many times you reload your hand with TP there's STILL those pesky peanut butter skid marks on it?

Well folks, I'm here to tell you, NO MORE HALFWAYS!

In a double blind study at Cornhole University, a team of esteemed scientist's put ROTO-POOTER thru stringently rigorous testing on FORTY UNWILLING PARTICIPANTS and discovered ROTO-POOTER actually works folks! Just look at a random comment from one of the FORTY UNWILLING PARTICIPANTS:

IT TORE OUT MY HEMORRHOID MUTHA FUGGA! I BLED FOR THREE DAYS!!!!

See what I mean folks! NOT ONE COMPLAINT ABOUT HIS HALFWAY! It works!!!! And here is how to use it: YES it looks VERY similar to a Roundhead toilet brush, but we replaced the head with stainless steel wire bristles and added loopholes at the other end so you can insert your strongest fingers into for the push and jerk motion I'm about to tell you about:

Step one: Drop your bombs in the toilet!

Step two: Wait for the Slowdown Halfway!

Step three: Insert ROTO-POOTER into your colon as far as it'll reach!

Step four: Jerk ROTO-POOTER out as hard and fast as you can!

Step five: For those stubborn Halfways you can always reinsert ROTO-POOTER and jack it in and out of your colon! YOU! ARE! IN! CONTROL! FOLKS! Just push ROTO-POOTER in! Jerk it out! Its THAT easy!

But wait! There's more! Have you ever been sitting on your couch watching Hermaphroditic Transvestites on Jerry Springer and out of the corner of your eye you see BOTH of your dogs dragging their bared anus's across your freshly shampoo'd carpet?! Are you TIRED of having to explain to your infrequent visitors that your crap-stained-skid-marked carpet is actually a new type of zebra print flooring?! ROTO-POOTER not only works in humans! Its works in pets too!!!!

When you see your dog in that familiar hunkered over, body shaking, mouth open & straining position, QUICKLY run over to it before it stands up, and RAM ROTO-POOTER UP ITS WORM INFESTED ANUS & JERK IT OUT! It works! It makes your dog so happy that it screams with delight and runs around in circle's!!! IT ACTUALLY ENERGIZES YOUR DOG!!!!

ROTO-POOTER has many uses:

Removes Halfways!

Rips out hemorrhoids!

Clears out your colon for another dumpski©!!!

Saves you money on toilet paper!

The beneficial properties are endless, folks!!!!
