

# Merry Christmas

## COMMENT ON MY NEW PICTURE

12/8/22

"Merry Christmas!!" I pray every one of

you are enjoying your holidays!

I just wanted to make a brief comment

on my new picture. Many people have told me I look mad and mean on my picture. That was not my intentions

nor did I realize my fist was balled up. However,

I was a little upset I could not take a picture

with my pink cancer awareness wrist-band. so

my frustration appeared on my face. But please

don't think I am mean. I am very Kind & welcoming!

Sincerely,  
Perrie
