Dear Father John,

Happy Holidays!

I thank you so much for your kind and thoughtful comments. It's so hard when someone you care for dies while you're in prison. It just emphasizes the feelings of helplessness and loneliness and makes you feel so powerless.

Prison doesn't rehabilitate anyone, it only destroys peoples' lives.

I mentioned you to Dakota and he told me that your life has been really busy and hectic. I hope you're not too stressed out and are able to get some time for yourself.

Thanks again for everything and have a blessed 2023!

Best wishes,
