so tell me what the "R" stands for  
and tell me what entertains you day  
and night? do you play? tell me  
is it OK if I test the water? if  
I say something that bothers you  
you don't want to tell me?

As you can read these comments  
are not filtered or censored, I speak  
openly and yes I do say all about  
graphic art's, like Western Women, men  
Bis-Gay, even a few Cross dressers as  
and sissy's too... and sexual also  
if I was to ask you Sanchez if  
you "play" it can mean do you  
do it by your own hand or instrument?  
When you see something pornographic  
do you need to make love? describe  
to me how, you can write me and  
express it...

I shall write, again soon..  
take care... stay safe...

Respects / Peace  
Guy
