My dear Brothers and Sisters, GREETINGS!!

I am writing this letter for publication and to have access to the Social Media because I don't have any other line of communication with people.

For many years I have posted letter and information to our web-page and I know that many people read the messages from the inmates through the web-page of **Between-The-Bars**.

I am working with family and friends to present my commutation petition to the Massachusetts Parole Board, and I have a great need to obtain letters of support. - Most of my family passed away during my incarceration of 52 years. The only people that I have left are my two daughters, grandchildren and great grandchildren who have survived my journey of being in prison for so long.

If you feel that I should have a Parole Hearing, please write your letter and opinion addressed to the Massachusetts Parole Board and mailed to me at this address:
