as to : my continuing being retained
in Administrative Segregation of Hou-
sing Unit #7 at Jefferson City Correct-
ional Center for nine (9) months
(and continuing... (since April 15, 2022))

with no conduct violation in highly unconstitutional confinement where I and other prisoners are being denied monthly haircuts; weekly recreation periods; sanitary conditions; weekly reading books; and medical care (*nurses are not conducting weekly sick calls) and in gravely unsanitary conditions. "I am in need of an immediate transfer from J.C.C.C. to another level 5 prison!" I am being unethically held by administration staff Assistant Warden Mrs. Raina Martin as a means of continuing retaliations for me ex-

excusing my U.S. constitutional rights in *Irving v. Dormire*, 519 F.3d 441 (8th cir. 2008) and an attempt to have me harmed. My 1st; 8th; and 14th amendment rights have, and are being violated. Please call in behalf of William Irving #182906 and log a complaint that you want me placed in for a transfer and it approved by J.C.C.C. and mo. Dept. of corr. CTA and Mrs. Raina Martin recused from all proceedings in my behalf in its regards so that ad. Seg. can end and I can be released to general population at another prison, and until transferred you'd like the unconstitutional cond-

itions of H.U. #7 Ad-Seg. immediately
remedied please. THANK you so
