

Date: JAN. 19

I hope to get out of prison soon.

They have been releasing a lot of lifers.

Our Governor has been really generous to many prisoners.

I think that he is my best shot in getting my weapons allegations and great bodily injury charges removed.

If that happens I could go home.

Lord knows its been a long time since I was out in the free world.

1990 seems like a life time ago.

I know that I have something to include into our free society.

I also know that my past will come back to haunt me,as a convicted sex offender does not get forgiveness from people,no matter how long ago it happened.

I am up to the challenge of fitting back in.

I will do my best to distance myself from any foreseeable trouble,while obeying all law enforcement agencies.

I can not wait until I can participate in things that are considered normal.

Any reader out there that can give me some leads for me in living out the remainder of my life in a productive manner.

I would like to hear from you.

I have a lot of planning to do,and I welcome any help that I can get.

I am also a Christian so I will be active within a local Church in the Sacramento area.

Anyone have some addresses for me of churches in the Sacramento area?Hope to hear from you soon.
