Dear BrandiLarke,

Thank you for transcribing my post. I truly appreciate you!

Okay, that's a unique perspective. Was your dad locked up or a model? I never knew that was a model pose. Thanks for the insight. I am glad my picture gave you a warm feeling of remembrance. I hope it activated a smile on your face and delivered some joy to your day.

Thank you for your comment, hope you're having a great life and I hope to hear from you again.

Sincerely,
Perrie
