Dear Cubanqueen91,

Wow!! Thank you for your very charming words. I am very flattered. I am doing well, thanks for asking. I truly appreciate you reading my book I hope you enjoyed it. And yes I am! Lol, I see signs of humor, you said you single single Lol. You seem very upbeat, god fearing, and intelligent. Further, your levelheadedness stood out, and I would love to get to know you. I would also love to get your feed back on my book, and if you have any ideas that may help me on my mission. For these reasons, I invite you to write me directly at the address below. Until then take care and I hope to hear from you soon. May God bless you as well!

Sincerely,
