NEVER done got away with or been caught?

Movies I like Clint Eastwood like the old Westerns, Hang 'em High, fist full of dollars... outlaw Jesse Wells... EVEN Planet of the Apes? Lion King... I do have a soft side too.. :)

Films were mostly at the theater... right like once I seen a movie called "Fire", no dialogue at all... the "graduate" "The Blob" SEE I liked Monsters... And then didn't really have films from... but I can say soon Tckj is going to give us tablets I'll be able to see things like (podcasts)

I was on TX death row for 25 years, NEVER once got it execution date which is odd... don't you think?

Films like a documentary I seen but most were movies... next year I come up for G-2 status which I hope I can go to the dorms, I have a cellie he is nice, as there has been some time called with...
