Subject: Happy Imbolc

I just wanted to wish everyone a Happy Imbolc (a pagan holiday celebrating the return of the sun after the long Winter nights), and a Happy Groundhog Day!! I heard we're supposed to have six more weeks of Winter, (which doesn't thrill me), but since we haven't had any snow at all this year, I supposed we're due.

I hope everyone is having a happy and prosperous 2023!!

Love & Blessings,

kelly
