S. Joyce,

Thank you so much for your words. Honestly. Wow. I wasn't expecting that.

"a story weaving throughout"

Those words are truly worth me writing for. See compliments like that let me know that I am truly doing what I mean to do for the readers mind. To paint a picture, a story. As you can see I don't like to use fancy words. I try to paint pictures with simple words as not to confuse the reader. Thank you for letting me know I am achieving that.

Wishing you the best,

Jesus.
