Subject: Feb 20@7:30am JOHNNY DEPP ART ADDRESS?

Hello Wonderful People,

How are you? Me, needing help, just a leetle...as you know I am into art. I am seeking another outlet/source. Recently I

heard that the actor Johnny Depp has what I seek. Would you please, just this once, give me his mailing address?

I would be indebted to you.

Thank you very much for your time. Keep Moving Forward. Sincerely Yours, Sean Riker
