Hi Sara! (sjoyce)

It's incredible how long the turn-around is on my receiving these comments from folks like you. I'm so sorry! And it's not the fault of Between the Bars — they do great work in trying to keep us inside-bloggers connected with the real world. But the prison mailrooms are RIDICULOUS, and they seem to delay my mail from Between the Bars even longer than usual. ^

Yep, I love Jeopardy! and watch it whenever I can! Glad you liked seeing my silly thoughts on it enough to take the time to let me know. I bet you'll never even see this now, but if you do... I appreciate you!
