

"SEAN: MY SON, MY NAVY SEAL"

Hi Seanie,

I love you and I miss you more than words could ever express. My heart-sting that is STILL attached to you is made of titanium. It will never break. As I said with kaitlyn, I do not know if a Father's love for his son could ever be as intense as mine is for you. I still feel you.

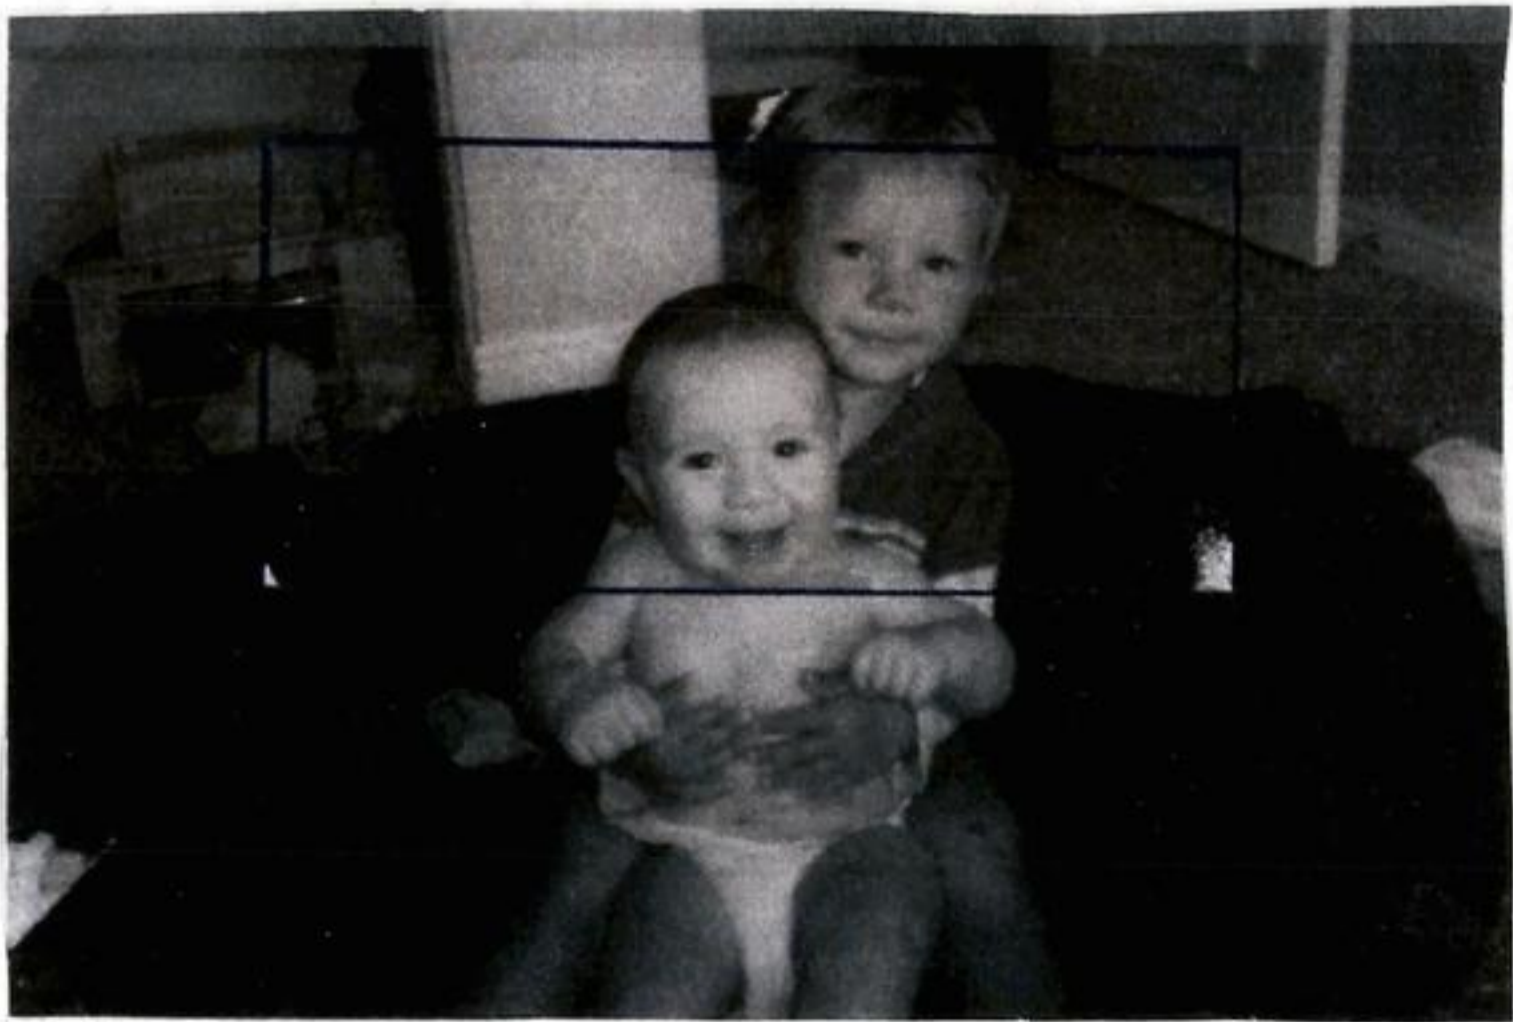

The last day that I seen you, the day before we were separated, you were walking around with the nipple of your bottle clenched between your teeth. No shirt. No shorts. Just your diaper and your bottle dangling:.) It is a great memory I have of you. I have MANY great memories of you and I call them up from my mind EVERYDAY. I miss you so much.

Last year someone that I thought was in my corner looked you up on tiktok. I told her to leave my family alone, but she did it anyways. She said you were rapping. I thought that was so cool!! I wish I could have seen it. Maybe one day...I have wanted to give you some songs that are my favorite's that I KNOW you will love. Do you want them? You can write to me. Do you need anything? I will give you anything within my power. All you have to do is ask.

I love you with every fiber of my being, son. Never forget that. I am your Father, Dad and your blood. Never forget that.
