

"CHLOE: TEAM BLUE EYES"

Hi Chloe,

I think of you every single day. You are a grown woman now. You probably have a family of your own now. I still cannot imagine you as a woman because I haven't seen you in over a decade. I still imagine you as my daughter, my ATV, Hiking, Camping Buddy. Everyday since our separation I have thought of you with love and great memories.

I hope life has been good to you. I hope you found love and everything you could ever hope to have in this life.

I hope one day that I will receive a letter in the mail from you. Everyday since 2009 I have wished this. Everyday when I know mail-pass is near, I hang on my door waiting, hoping for your letter, and it doesn't come. Have you forgotten me? Have you moved on from our memories? Age has matured me finally. I think differently now. Do you think I am mad at you? Not even a little. I love you. I STILL miss you.
