JoePutin100, (Took THIS long to get your comments!)

Still Loling at the screenname. ☺ Your comment to Tenzin over at "The Parent Test: Addendum" post says a lot more, and I ~~replied~~ to you there in a combined response with AbolishBorders. I really appreciate your insights and general vibe. Thanks.

No one has commented on this post for a long time. I'd tried to speak reasonably with Tenzin when she first appeared here, but she shot back with more toxicity and I decided to leave it alone. I regretted it for a long time, but I'm trying to make up for it by setting the record straight over at "Parent Test". Who knows, maybe some of this unpleasant exchange will be of some value to a reader or two. I hope others follow your lead and comment, though! It's always nice to see ppl are reading, but it's EXTRA important for ~~see~~ everyone to see people take a stand against this kind of bullying, and frankly, the ignorance of assuming that prisoners necessarily did what cops say they did. We often didn't! Thanks again, Dom
