

Date: APR. 26

Hi free people!! This is jimmy.

I am incarcerated at mule Creek state prison.

I am interested in anyone one that would like to talk back and forth.

If you are interested in emailing to me then contact Getting out .com.

I look forward in meeting you over some shared interests.

I am not looking for any relationships just a voice that I can enjoy to take away from the hard edge of prison life.

Hope to here from you soon.
