

LIGHT OF ALTRUISM SHINES INTO PRISON DARKNESS

During the month of April 2023, \$50. suddenly appeared in my prison Trust Account. The benefactor was named **James Pane** with no other identification.

Since most of my essays lately have been dedicated to the plight of old prisoners wasting away and dying at CDCR's "BARMECIDE FEAST" of Elderly Parole, I assume Mr Pane's altruism is in consideration of our suffering.

Mr Pane, on behalf of myself and all the forgotten elderly in prison, THANK YOU! These funds will be used to assist elderly prisoners whom are unable to purchase items at the prison canteen. Receiving a needed toothbrush in prison is like winning the lottery in the free dimension.

So shines a good deed in a naughty world."
