" Live Spiritual Blues "

Buried in a dungeon of a six by nine cell - The devil holds the key and my Lordy - Lordy ain't forsaken me - doing His will makes the devil burn my hands as I hold the shovel that dug my grave - doing the will of my Lordy - Lordy has me singing as the devil dances on my grave - oh the blues - yes - oh the blues as I remain buried in a dungeon of a six by nine cell - while that dirty low down devil dances on my grave - listen to the music and lyrics for the devil is dancing on my grave - he tuned my guitar for it's in his world I sojourn - feeling him tap dancing on my grave - in his world - I ain't going to heaven cause I'm already buried in a man made dungeon of hell feeling him tap dancing on my grave... Lordy - Lordy ain't forsaken me as my spirit sings the blues - oh - Lordy - Lordy - I'm singing the love filled spiritual blues as the devil dances in my grave cause the joke is on the world that built the shovel that dug this man made grave...
