Lordy it's Raining Blues

The devil peed down my leg and rained on my parade - oh Lordy - Lordy - the devil he did rain on my parade - The devil he did pee down my leg and called it rain - as he rained on parade - no one seen him do it as he rained on my parade - but the devil he did pee down my leg and called it rain as he rained on my parade - oh Lordy - Lordy - the devil peed on parade - as he gave me a shovel to dig my own grave - that dirty rotten devil he did pee on my parade - oh - Lordy - Lordy - the devil he did pee on my parade - laughing as he peed down my leg - laughing as he peed down my leg - oh Lordy - Lordy - the devil made it rain upon my parade as he gave me a shovel to dig my own grave - the devil he did pee down my leg and called it rain - oh Lordy - Lordy - I got the - devil rained upon my parade - Blues - yes the devil peed down my leg - Blues - oh - Lordy - Lordy - the devil got me singing the devil rained on my parade - Blues....
