

# We Should Be: Counted (2-Sum-1)

How much must I accrue and sum, for you  
When 2-Sum-1 an Equation appeals,  
I'm compelled, entwined spell, attests Heart's soul  
Exercising its beat, Good Health may near:  
You with me as metal to magnets' kiss  
To loop a letter - a knot we tie,  
Unafraid as defending her shall not dis-

We should be quality in-truth no lie  
This Sonnet speaks from heart to none other -  
as faithful I'd be with thee engrained life! -  
Appraise!, she'll well-worth praising to love her;  
An accounting 2-accrue counts no strife.  
How!, I'd value and vault building Lives' ease;  
How!, thou art wealth, I'm measurable's please
