

CALL FOR SUPPORT & ADVOCACY

On May 30, 2023 I was transfer to E.R.D.C.C., 2727 Hwy. K., Bonne Terre, MO. 63628 from J.C.C.C. As a continuing act of retaliation and to hinder my pending litigations against them, my legal documents/materials that were stored in J.C.C.C.'s Property Rooms Legal Storage were not transferred to E.R.D.C.C. with me; and Classification Staff per case-workers Nicole Frances; Mr. Wells and Ms. Gross along Correctional Staff guards COII. Sgt. Case; COII. Sgt. Wiess; COI. Ms. Halton; and secretary Ms. Billford are subjecting me to an unconstitutional conspiracy (*disaffording me of the rights and privileges all prisoners in General Population possess) as a means of civil extortion for me being an awarded and published writer at places that give away cash awards being in my life.

As a result of this, these staff are refusing to contact J.C.C.C. and have me legal documents/materials forwarded to E.R.D.C.C.; maliciously

precluding me from sending and receiving e-mails and using the telephone by refusing to provide me with the new e-tablet with the telephone app upon it; refusing and delaying obtaining my legal documents from E.R.D.C.'s Property Room and maliciously falsified a Jcdv. *3.1 dangerous contraband against me on July 12, 2023 to unconstitutionally remove me from General Population where which no cell inspection form for my cell H.U.#4-BI-109 was ever done meaning dangerous contraband was already in cell and not mine - and thus had me unlawfully placed in Administrative Segregation H.U.#2 due to my refusal to allow these named prison officials to extort my writings for capitalistic interest (financial per cash awards minus compensations) and unethical reasons (sexual gratification per erotic prose).

The greatest majority of these prisoners are day-in-day-out 22 hours a day running throughout the prison

and H.U.#4 in particular zombied on every drug and synthetic drug possible; committing slabbings; fights; and cell thefts daily and remaining in General Population. Prisoners are literally threatening case-worker Ms. Frances; all Sgt.'s and Lt.'s in H.U.#4 and receiving no cdv.'s no assignment to Administrative Segregation H.U.#2 — yet, I don't do drugs never have and never will; go by the rules and I'm the one unconstitutionally conspired against and having cdv.'s falsified against me as if I don't have a right as all prisoners to be housed in General Population. This Ad-Seg. extensive assignment is over with for me. I just finished doing 13 free months at J.C.C.C. before arriving here at E.B.D.C.C. May 30, 2023.

Your help is needed please! Please immediately call: 1) Ms. Kimberly Ann Collins, State Representative, (573) 751-1400; 2) Mr. Mike Kehoe, Lt. Governor, (573) 751-4727; 3) Ms. Melissa Massmann, Mo. Dept. of Corrections (or Ms. Anne

stitutional/ plaqely unsafe con-
ditions of confinement in Gen-
eral Population and ad-Seq. H.U.#2
