I am enjoying learning about your country.

I was not even aware that there was several parts to it.

So please do describe the southern boarders of Italy.

I like learning how others live.

Americans have things that they don't appreciate or that they just do not know that they have.

I being one of them.

Our country has a lot of history.

Much of it we should be shameful.

It does seem like the covid disrupted a lot of lives all across the board.

Tell me a little bit about your schools over there.

Do you guys have high schools finishing at 12th grade.

I often wonder what it would be like if the United states was one big state.

I know that many of the states are a mess.

Laws for everything.

In California alone there are 32 prisons.

I know that's crazy isn't it?We have a lot of crime here.

That is shameful.

Talk to you more later.
