* IT WAS TIME FOR A SERIOUS HEALTH-CARE PLAN *

Upon finishing, her worry and concern seemed to be pacified. At least enough to the point that there were no new names likely to show up on the America's Most Wanted List.

I realize now that the order in which I listed the events, regarding the mentionable mishap I experienced, maaaaay\1/ have PERHAPS led you in the wrong direction as to just what exactly was going to take place. (Writer crosses his fingers.) I'll try to remember to correct that later.)
