

Let me try this again; My name is James Harmon,
and I'm being blamed for 9/11, and I can prove it.
Firstly, what's ~~9~~11? That's right, 20. I was
arrested on 5/20/04.

Secondly, my trial started on 4/11/05. What's 4+5?
That's right, 9.

Allow me to illustrate:

Now do you see?

Lastly, I was sentenced to 72 years, even though
I'd only been convicted of Murder 2.

What's 7+2? That's right, 9, as in 9/11.
