

"They put 9/11 on M3 (Full Length Ver)

They put 9/11 on M3.

They put 9/11 on M3.

They didn't put 9/11 on YOU,

They put 9/11 on M3.

Oh, say, can't YOU S33?

They put 9/11 on M3.

By the dawn's early

They put 9/11 on M3

From S3A to Shining S3A,

They put 9/11 on M3.

From high atop purple

Mountain's Majesty,

They put 9/11 on M3.

Whose "they", YOU say?

"They" are the Is who

Put 9/11 on M3.
