2 - invest in Loves' platinum over gold's  
Or silver's Relationships less-faithful.

Equity holder nontrading forth fold

A major investor in the-firmful

Belief: "mismanagement cause failure—"

I am a firm believer in welding bonds

Their balloon in security for sure

To disband any Buccanering's pawn;

Not to be elected—but, appointed

By Consent: 2 - contract by Faith, in Hope

To have & to hold, nonwagering joint!

Accounts on account: "Be Gain Interest copes!"

Who'd not!, be hugely successful with Love?

And this is love! And no one else is Love — <sup>Wm.</sup> <sup>Drury</sup>

## Lost In Arctic Weather

It!, turned away from hope of her love-sun —

How the COLD grips and welts one to-date

Here where Days' froze is missin' her love-sun

& Nights drop Below Zero's death-fate —

To-date No Dating w/out her just-due!,

Where is Justice of Warm Rules' healing? —

All of this Dead Living, deadening too;

Where is sun she smiles; warm kiss appealing!

Applying its healing? — I stand to lose!

It! says: "Killin' me COLDDDD!" since we went ways.

How to WIN amid wind of Frost Bites' froze? —

I'm DAMAGED!, in need of RE:pair some way.

Why! what Heart would make a snowman of me, <sup>Wm.</sup>

It! turned away! — I've no way — Come to me — <sup>Drury</sup>

Kind and engentle as Beauty Dove was —  
Or — hast been wherewhich both doeth confer  
an immaculant hourglass degreeed;  
a Beauty above bejuties frenchkisses  
Minds vivid and erect soo want seems need —  
"Who could live w/out her!, and such plush KISS?"

Best put forth delieneations when facing  
Such brilliant pulchritude sexing duet
