

Please Support

I recently got books from two more "Books to Prisoner's" groups! I can't thank them enough for all the wonderful books I've gotten over the years.

I got books from Treat Falls Books Through Bars and a new one (for me) 'cause they only serve Florida, Open Books listed below.

Please check my list from last year (Jan. 25?) and please support these groups. (Note: I was told that Connecticut Prison Book Connection closed down, but I heard this from another inmate.)
