

I don't have much support on the outside, therefore let the bonds of affection ally and unite me hand-in-hand w/ advocacy from around the world who loves poetry, and are willing to unite and bindeth to an united front until I am adequately assisted from the trouble of this adversity presently under circumvention seeking to cause me fatal harm heavily assisted by E.R.D.C.C. guards and caseworkers against me. Warden Mr. Richard Adams is aware firsthand that a ring of drug/ synthetic drug selling prisoners w/ guard and supervisors (high ranking) have "hits" on me and have prisoners moving to carry them out w/ staff help.

I am in unsafe conditions (8th Amendment Right Violation) anywhere at E.R.D.C.C. deliberately made this way by guards. Please, forsake me not and assist me in this adversity by lodging verbal (repeatedly once twice a week until I have

been placed in for a transfer to a safe prison (i.e. another level # 5 in Missouri) by the E.R.D.C.C. Protective Custody Committee of: Mr. Anderson; Ms. Sarah Cook and Mr. Jennings (whom have not been placing prisoners in for P.C. transfer and just allowing them to sit in ad-seg. unsafe); Call: U.S. Senator Ms. Nancy Pelosi, 1236 Longworth H. O.B., Washington, D.C. 20515; (2) MO. Governor Mike Parson (573) 751-3222; (3) Mr. Chris Neiman, MO. Dept. of Corr., (573) 526-6530; (4) U.S. Rep. Emanuel Cleaver II. (202) 255-4535; MacArthur Justice Center, Ms. Megan Crane (314) 254-8540; (5) National Action Network at Sharpton (212) 690-3070; and (6) Warden Mr. Richard Adams, E.R.D.C.C., (573) 358-5536. We were not sold ink pens or paper to preclude corresponding. I presently have COI. Ms. Lashly; COI. Ellison and COI. Brown circumventing against me and caseworker Ms. Sarah Cook unimpartial for no reason. Request actions to immediately remedied bias-treatments (denial of due process).

Thank You!
