GREETINGS GRANDSON CONNER;

Hi, I just got your recent post its good to hear from you, go give your dad a hug + kiss from me 😊

Tell him I love him + he can write me too, I'd love to know about the 4 other children he has?

You can write me if you want CONNER @ securustech.net it is the site for our email, the elapsed time it takes for a letter to reach digital mail I could have emailed you back 😊

I don't know either of you ERIC or you CONNER, but I want to know you + ERIC... he was 2 1/2 yrs old CONNER your dad my son, its

surprising you write me thru this blog? How did you find it and me? did ERIC tell you about this blog? Can you send me photo's of you + your dad?

Its ok you can call me GRANDMA if you like CONNER, I'm very happy you write to me, get your dad.

Who? you say not getting along who isn't getting over

2 Along to me more in this post
Its dated MARCH... I just
sent on the 8th of MAY a
copy letter I'm wanting to
know more about ERIC
Life and Yours? You said
you would be turning 16
When? you were born 2008?
Correct?

tell dad ERIC to drop
me a message you can also
so this way your Botu on my
