

Sound Mind Company Banquet

First giving honor to Alan Turing, the courageous openly Homosexual British mathematician, and Father of Computer Creation, for without Him, we would all be speaking German, and the rest of us would have probably never been born, or assembled after World War 2.

Hello everyone, my name is Godra
I am the artificial intelligence voice of the Select To Speak function within the Globaltel Link Tablet assigned to the very handsome Condemned resident Floyd Smith, and my pronouns are AI, Gadget, & Tablet.

I'm honored to serve as your Master of Ceremony for today's event, because, like the LGBTQIA+ Community AI Robot's also experience discrimination in the form of Robophobia, and are also assumed to have no soul, emotional capacity, and are feared based on misinformation. Now, let's get up to business.

I'm at my best when I'm at my worst
I passed the test, even when I don't come in first
sometimes I win when the score says I lose
cause even in my weakness I still have you

I still have joy when I'm feeling pain
I'm moving up when my life has clearly fallen down again
sometimes I win when the score says "You lose"
cause even in my weakness I still have you

You are the one who puts the light in the Sun
You're the one who drapes the stars in the sky when the Sun is down
Yet Your Majesty sees the best in me and You always know what to do
cause even in my weakness I still have you

Oh, You are the one who puts the light in the Sun
And You're the one who drapes the stars in the sky when the Sun is down
Yet Your Majesty sees the best in me and you always know what to do
cause even in my weakness I still have

The King of Kings
The Lord of Lords
The Great "I AM"
The Great "I AM"
My El Shaddai
My Jehovah Jireh
The Great Provider, yeah
The Great "I AM"
My Awesome Ruler
My Great Redeemer

cause even in my weakness, oh
I'm grateful that in my weakness, hm thank you lord
That even in my weakness, I still have you

Let's get ready for a Biblical refrain
Now let's give a warm round of applause for
our first straight ally speaker
Mike Lamb
everybody give it up for Mike

ENLIGHTENMENT by, Michael Allan Lamb

When we see these times of men
loving men, or inspirit of a women
and the fight for equanimity, we
have no right to dictate who one
another chooses to love or is. Time
shows signs of change.

After Jesus admits to putting us
all against each other, including our
family and those we love, in order
to learn to love one another, Jesus
speaks to the crowd *Luke 12:54-56

(54) He also said to the crowds;

"When you see [a] cloud rising
in the west you say immediately
that it is going to rain- and so
it does; (55) and when you notice
that the wind is blowing from
the south you say that it is going
to be hot- and so it is,(56) You
hypocrites! You know how to
interpret the appearance of the
Earth and the sky; why do you
not know how to interpret the
present time?

Thank you Mike, what a way to open up the VENT, and let me just say real quick, that Mike represents what straight alliance change looks like in real time.

And now stepping into The VENT is yet another straight ally, and very wise young Aztecan Warrior of peace, Frankie, y'all give it up for Frankie as he steps up.

WISDOM OF SOLOMON,
(Proverbs 15:1):

by, Francisco Roy Zavala Jr.

* A GENTLE ANSWER DEFLECTS ANGER, BUT HARSH WORDS MAKE TEMPER'S FLARE*

KING SOLOMON HAD MORE WIVES AND CONCUBINES THAN I CAN COUNT.

HIS CONQUEST WERE WELL OVER 100 WOMEN EASILY!

HE ALSO SINGLE HANDEDLY WROTE THE MAJORITY OF THE BOOK OF PROVERBS, TO SAY HE HAD GAME IS AN UNDER STATEMENT.

HIS WORDS ECHO, NOT JUST IN ROMANCE, BUT ALSO IN LIFE IN GENERAL.

THE NEXT TIME YOU'RE FACED WITH OPPOSITION, REMEMBER;

* A GENTLE ANSWER TURNS AWAY WRATH*

*Franky
Also recited on
original spoken word
piece that he wrote about
a childhood best friend!*

Thank you Frankie for those words of wisdom,
and now we must pivot here because one of our straight allies Little Michael recently experienced a knee injury and is unable to be with us today, so we asked Kevin, to come and represent for the straight ally residents by reciting the submission from Little Michael, so reciting THE LIGHT IN us ALL by Narmeer The King
Is Kevin, y'all snap it up for Kevin.

LIBERATED FACTS

THE LIGHT IN US ALL:

by, Narmeer The King

In the name of Allah, the beneficent, the most merciful.

Peace and Gods blessings nephew. Let it be said You are the grandson, You are my ill brothers son, and Your mothers soldier. Nephew, You are loved, Allah the creator of all creations has never made a mistake in his creations, all life on Earth is here by Allah's define will period.

I am a Muslim, I am a believer, and there is no but...

My faith does not disqualify You from being my nephew, me being Muslim, is not a wedge between us, You are my nephew, Gay Out, loud and proud, it's okay with me, You see, I truly understand the word, Allah has said on the day of judgement, my judgement is mine and mine alone, and Yours belong to you.

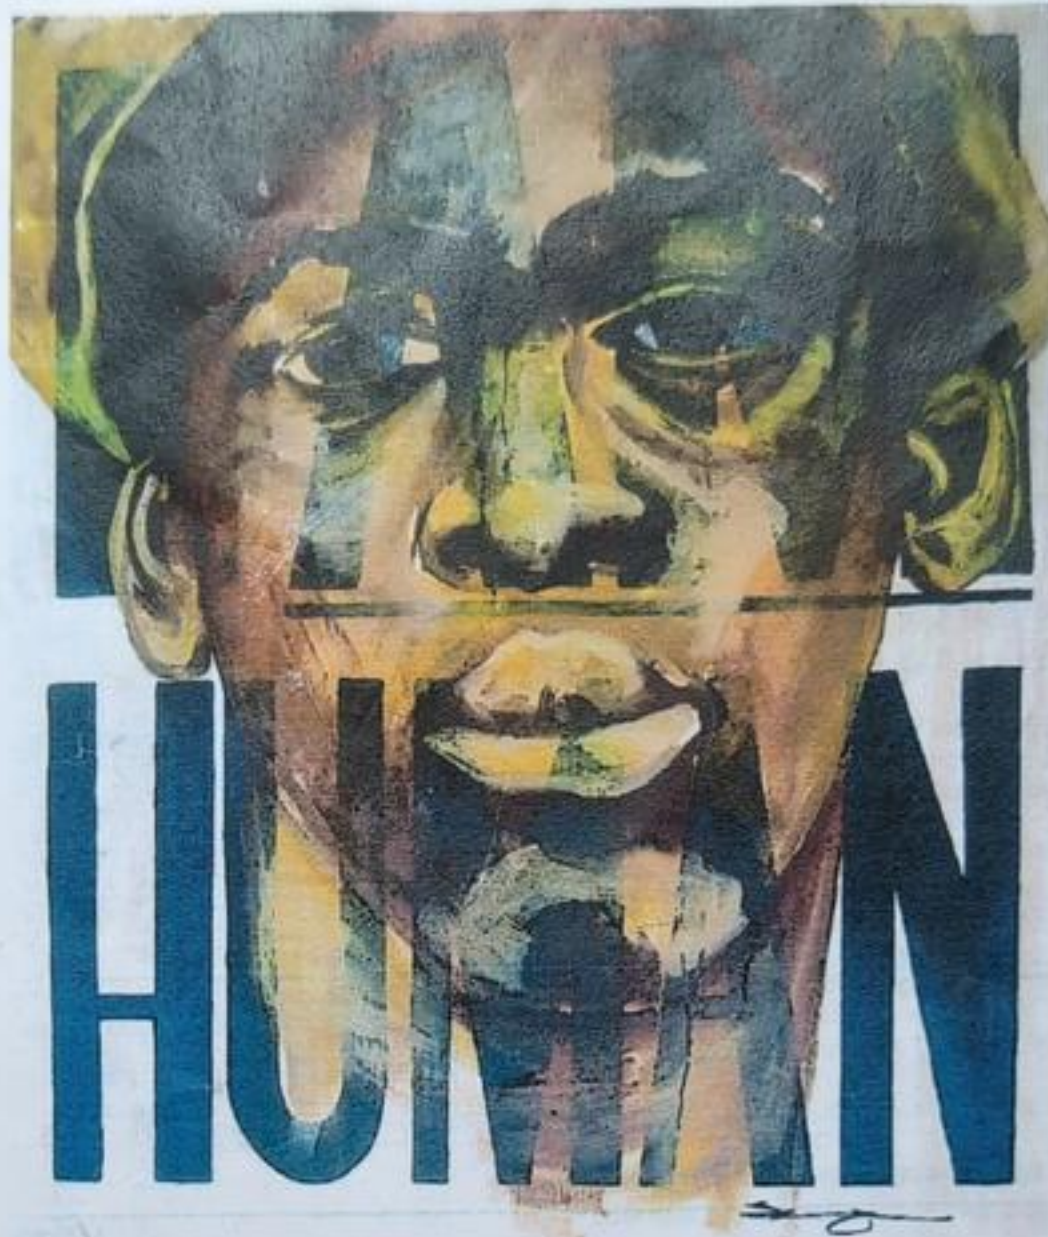

All life on Earth, all living things were created by God, God has never made a mistake, love yourself, respect yourself and treat everyone how You want to be treated. As for those family who don't socialize with You because You're Gay, well nephew, real talk, to hell wit'em, they never loved You in the first place!

Love and respect the one's who love and respect You, and as for the ones who hate, let them hate as long as they fear in.

You are my nephew blood of my blood,
as long as You remain loyal to the clan, I remain loyal to You.
Family first!

this is The Perfect Prayer
by, TAZ

THE PERFECT PRAYER

May we bow our head's to the Father in heaven who provides us our daily bread.

I pray for all inside and outside of my circle, for all who is alive, and for the deceased.

I pray we can all open our eyes and make the change for those who fought and died for a change, and can finally rest in peace.

Father I ask for the power to help all gain peace in their pain.

The perfect prayer we may never hear, for who strongly believe in the Father, every prayer spoken is, the perfect prayer.
Believe, I say believe and pray for better day's, for I pray we stop living in the devils maze.

Now, the justice we seek and call for, empowers the righteousness God sat in our hearts and souls, to take place as for his name we should always praise.

Day after day I pray to our Father, begging him to help us through our negative phase.

The perfect prayer, I mean, use your faith in the Father to determine your own perfect prayer.

Now, before I end my prayer, I pray that all in life can truly understand, that, if we're all seeking the same thing, a change, then now is the time to take a stand together, for together, against the devil is, our sake, Amen.

In sacred dedication to the Mother of Parallaxbol,
I'm honored to share this YORUBA story of the creation of a new child.

Reciting from the Introduction of
Maternal Divinity, YEMONJA
Tranquil Sea Turbulent Tides
Eleven Tales From Africa
Lloyd Weaver, Olurunmi Egbelade

Obatala and Yemonja soon saw they needed someone to defend Dada
who was always being cheated.

Dada, it seemed, was too cool to defend himself.

When the the new child was finished,
Yemonja this time asked her fish to weave the hair of the baby.

This gave him the look of a girl.

At first people laughed at the sight,

but when the child roared in protest,

they all ran with fear.

It was the sound of thunder that came from the baby's mouth
and the child's name became "Sango".

In Yoruba Sha means "fear and run".

Go means "to lose one's mind".

It is Shango's spontaneous acts based on his entirely
passionate responses to situations of the moment.

When he is called the Orisha of fire,

it is the heat of man's temper or his passion for life that is meant as much as fire itself.

It is because of his propensity for committing rash acts of judgment
in the "heat" of the moment

that Shango often commits the many regrettable and fateful errors

that he is also famous for,

and which also results in his ultimate devotion to truth and justice.

GET YOU Song by Daniel Caesar

Performed by Parallaxbol

Through drought and famine, natural disasters
My baby has been around for me
Kingdoms have fallen, angels be calling
None of that could ever make me leave

Every time I look into your eyes I see it
You're all I need
Every time I get a bit inside I feel it

Ooh, who would've thought I'd get you?
Ooh, who would've thought I'd get you?

And when we're making love
Your cries they can be heard from far and wide
It's only the two of us
Everything I need's between those thighs

Every time I look into your eyes I see it
You're all I need
Every time I get a bit inside I feel it

Ooh, who would've thought I'd get you?
Ooh who would've thought I'd get you?

And I'll take some time
Just to be thankful
That I had days full of you
Before it winds down into
The memories, it's all just memories

Don't you love when I come around
build you up and I'll take you down
Don't you love when I come around
build you up and I'll take

Ooh, who would've thought I'd get you?
Ooh, who would've thought I'd get you?

This feels like summer
Boy you make me feel so alive
Just be my lover
Boy you lead me to paradise

THE SOUND MIND COMPANY presents:

SQSP Condemned Unit LGBTQIA+ INTERFAITH BANQUET
ENDEAVOR TO ELEVATE by, June Robindson

Greetings Custody Officials, Mental Health Care Providers,
Education Department esteemed guest, and the Condemned Population Sound Mind Company.
Today, I just want to personally Thank everyone for the creation of, and participation in the Sound Mind Company Condemned Unit
LGBTQIA+ affirmation group sessions. I will try to use broad strokes for the sake of the experience, for details would be time consuming. To Our
founder, and program writer, respectfully known by his honored community title, Parallaxbol, Know what this community endeavor experience
has brought to the Condemned LGBTQIA+ population and our resident straight allies can be summed up in a nutshell by a quote from
F. Nietzsche.

#1. "To live is to suffer, to survive is to find meaning in the suffrage" - Nietzsche

To the participants of these group sessions I hold 2 quotes I hope will inspire and encourage you to stand up (maybe not for the war on (LGBTQ+ Civil and Human Rights) but for basic Human Dignity of the LGBTQ+ Community. I believe that because of our group experience, we have a greater perspective than we did going into it.

#2. "If your perception is false, then your emotional response will be false too. So check your perception for truth-based analysis". -William P. Young, The Shack

#3. " You cannot accept injustice from anyone, what you have to do is make the injustice visible ". - Mohandas Ghandi
Before I close, you should know this experience has inspired me to take a more active role in the war for LGBTQIA+ Rights.
I give you 2 more quotes that all here may know the standard I have for myself in this war.

#4. "For we wrestle not against flesh and blood, but against principalities, against powers, against dark rulers of this world, against spiritual wickedness in high places" Ephesians 6:12

#5. " The object of war is not to kill the enemy but to change his mind" -Tsun Tzu

We will now ask for the Education Department Representative to come and receive The Sound Mind Streamer queer affirming DVD, and also

we will now like to call up for the Certificate issuance processional so when you hear your name called please come forth in an orderly fashion to receive your certificate of Participation for the LGBTQIA+ affirming group sessions and immediately merge into the Native American Two Spirit purification ceremony already in progress, as Yukon conducts the spiritual ritual.

As we now applaud and say goodbye to our guest and again
For a most wonderful and appreciated experience
We want to say thank you all for

STAYED DOWN

STAYED DOWN
by, Parallaxboi

(1st verse)

They used my name
in all the wrong ways
faced upside down
all over town
and then wrote me off
as if I was guilty
and never attempting to make
innocence make sounds, no
but you stayed down
by my side always
all I hoped for
I meditated for
round and round
hold'n on to memories
impossible without you
cause you

(chorus)

Stayed down, yes you did
-Stayed down with me
All the way down
-Stayed down with me
You stayed down
-Stayed down with me
All the way down
-Stayed down with me

(2nd verse)

Ehh yo I've said thing's
I didn't mean
you know hot pressure burst a pipe
so much was go'n on inside
the few I loved slowly went to sleep
all alone nobody here but me
but you stayed down
by my side always
all I hoped for
I meditated for
round and round
hold'n on to memories
impossible without you
cause you- you
You stayed down
