

After I wrote to the COV. Major Mr. Crisp (Supervisor); COIV. Captain Ms. Neal and E. R. D. C. C. • On June 11, 2024 as an act of retaliation (1st Amendment right violation) that continues to subject me to gravely unsafe conditions (in violation of my 8th Amendment right) at the lunch meal COI. Sullivan was serving lunch trays upon Housing Unit #2-D-ling top walk COI. Danielle Lashley came up to my cell got on the side of door by food pass and as I was getting the food bag from COI. Sullivan I asked her to stay out of my business and what provocation she sprayed my face w/ chemical mace then lied in a conduct violation to make it seem justified.
