

Israel-Hamas War Prime and Proper for what?

Is your religion a occult? Many people beliefs start out with essential ingredients that seems right. Only later on down the line their minds are distorted with falsehood that leads to radicalism, which produce destruction. Now there is a war going on between Israel and Hamas. Think about it, how is the war part of the belief system that the country or individual's has taught? It's not America's President Biden job to bring peace in this war between Israel and Hamas. Yes there are ~~some~~ a such thing as peace talks. When people are at war because of pure hatred for the other party. How can anyone help bring peace, especially when there is a large amount of contention involved. They don't want peace.

Some people may think that peace should come with no effort. While others think there should be effort on our leader's part. However, David explained in the Holy Bible (Psalm 34:14) that we are to seek and pursue peace. Paul echoed this thought in Romans (12:18). On another note, a person who wants peace cannot be argumentative and contentious. Because peaceful relationships come from our efforts at peace making, work hard at living in peace with others each day. So my question to the protester why are you doing ~~what you~~ this? Tearing things up, going to jail and giving the police problems

on the college campus. Does it make sense?
Sending out hate mail because of somebody else
belief system. Does this make sense? My personal
opinion is - everyone involved is looking foolish. For
me right now Jewish community and Christian if we
serving the same God. ~~where is your~~ why do you
have the wrong perspective concerning Israel-Hamas
War? They tearing up the country and the protester
tearing up our Universities. What is the difference?
None at all both are (destructive) people. My God is
not the author of confusion. ~~He is~~ (1 Corinthians 14:33)
For God is not a God of disorder but of peace.
But Satan is using people to bring disorder every-
where including some people homes, jobs, school,
and our communities. (1) We got to realize we are not
fighting against each other or another country. (2)
We have to put on the whole armor of God - Ephesians
6: Finally, be strong in the Lord and in his mighty power.
Put on the full armor of God so that you can
take your stand against the devil's schemes. For our
struggle is not against flesh and blood, but
against the rulers, against the authorities, against
the powers of this dark world and against the
spiritual forces of evil in the heavenly realms.
Therefore put on the full armor of God, so that
when the day of evil comes, you may be able
to stand your ground, and after you have done
everything, to stand. Stand firm then with the
belt of truth buckled around your waist, with

the breastplate of righteousness in place, and with your feet ~~fitted~~ fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, ~~with~~ with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests with this in mind, be alert and always keep on praying for all the saints. Pray for Israel and Hamas: Starting with psalm 91 father I praise you that my family, friends or whomever dwell in the secret place of the most high and that they shall remain stable and fixed under the shadow of the almighty [whose power no foe can withstand]. I will say of you, Lord & the Lord is our or their refuge and our or their fortress, my God; on him we lean and rely and on him we confidently trust!"

For then you will deliver my people, my family etc. from the snare of the fowler and from the deadly pestilence. Then you will cover them with your pinions (feathers), and under your wings shall I trust and find refuge; your truth and your faithfulness are a shield and a buckler. They shall not be afraid of the terror of the night, nor of the arrow (the evil plots and slanders of the ~~wicked~~ wicked that flies by day, nor of the pestilence that stalks

in darkness, nor of the destruction and sudden death that surprise and lay waste at noonday. A thousand at our family right hand but it shall not come near Israel etc, my family. Only a spectator shall they be (unaccessible in the secret place of the Most High) as they witness the reward of the wicked.

Because we have made you, Lord, my refuge, and the most High our dwelling place, there shall no evil befall them, nor any plague or calamity come near their tent. For you will give your angels especially charge over our country, people and family etc. to accompany and defend and preserve them in all their ways of obedience and service your angels shall bear them up on the hands, lest they dash their foot against a stone. They or I shall tread upon lion and adder. The young lion and the serpent shall I trample underfoot. Because I have set my love upon you, therefore will you deliver me, them, my family, Country etc. you will set me on high, because we or they know and understand your name. I have a personal knowledge of your mercy, love and kindness. I trust and rely on you, knowing you will never forsake us, no never. I shall call upon you, and you will answer us. You will be with us in trouble. You will deliver country etc and honour them. With long life will you ~~stat~~ satisfy us and shew ~~us~~ us your salvation! So what is my perspective on everything

that is going on? One prayer is always the answer to every situation. Secondly, we need to learn when to take action and when to pray and be still. I know that God is in control. I personally believe in a peaceful protest on something that makes sense. But if you are protesting in a active conflict such as the students at the universities, what sense does it make to cause conflict yourself by being destructive? Then have the audacity to hold up a sign that says pro war. Think about it, ~~about~~ this is crazy.

We got to get the right perspective pertaining to the Israel - Hamas war. I would agree, when I think about the war, guess what's on my mind, the damage it has brought. yes it breaks my heart. I bargain, with the thought of the war necessary? While on the other hand, I would absolutely no. Because lands will disappear in the destruction. Material things will be totally destroyed. No one will be the winner in the end.

So why is these country fighting because one hate the other and want a certain thing. I've always believed that in every country. ~~The people, economy~~ People, the economy and community is ~~always~~ the most important tool establish a government. It's not just about the ~~leaders~~ poor leadership. We must think about how we handle situation. We can make it better or worst. ~~if~~ yes it breaks my heart when anyone become radical in the wrong way with their ~~best~~ belief.

Because it more present their religious belief. Today this is becoming more prevalent amongst many religion in America and other countries. Some people need to rethink the religion they chose if it cause any human to be destructive.

However, to have blinded anger toward our President (Mr. Biden) is far fetch and really out of control. No matter what he does is not good enough. For instance, the protestor etc. Is complaining about innocent children and adults has been killed in the Israel and Hamas war. Why haven't President Biden stop the war. People that is little far fetch. One thing we have to learn to choose our ~~battle~~ battles in life. Now we upset because President Biden is not sending no weapon to Israel. But up above the protestor was complaining about the death in the war and the safety of their country.

If President Biden send weapon Israel going use those weapon to kill people. Then we will have Hamas people complaining about the innocent people dying and safety. Which has happen. So what do when we can't satisfy people as a leader. Pray as the man of God - President Biden ask for Guidance. I am sure God spoke to him.

Don't send no more weapon. Son you will have to give ~~account~~ for your action on judgement day. President Biden is ~~listen~~ listen to who he believe in.

While people who don't have a belief system,

Some ~~radically~~ radically misrepresenting their belief system and others are just following anybody or anything.

That is why so many people want President Trump back in the presidential chair. Many people have become radical in what they believe in now, it has turn into hatred for certain people, things and places. God is not the author of confusion, Satan is. He comes to John 10:10 the thief comes only to steal and kill and destroy; but Jesus come that we may have life and have it to the full.

So why would any country want a leader that causes contention in the office, out in our communities, in our government, with other countries, that insurrection should have never happen in DC. Here immigrants families should have never been separated. Our health care system should have never been jeopardized where people lost their health care. Women rights should have never been under fire. Many flaws under Donald J. Trumps rulership His personal life and the people surrounding him failed to default. Does tho he have the right spirit for being the president again. Absolutely no. People who work with others, recognize that we all have certain things in common. President Biden has tho attribute about himself. While Trump fired half of his staff when they

didn't obey his command. People like to feel special, so compliment them. ~~Just~~ he shows up at personal places like graduation etc. to make his ^{supporters} ~~supporters~~ feel special and unique. President Biden is genuine. Whether Trump is just wanting to be back in ruler ship only to put people down when he gets in the office. Taking from the poor. So please be careful who you vote for.
